Oxford Research on Irish CODAs

My name is Caitríona O' Brien. I'm an Irish student doing a Masters at Oxford. My research looks at language, culture and identity of hearing children who were raised by one or more d/Deaf parents.

I am looking for adult CODAs (18+) who are willing to take part in my research by meeting with me (in person or using Skype) to fill out a questionnaire.

It is important that this research represents a variety of CODAs so I would be very grateful for d/Deaf parents to let their children know about this research.

If you have any questions about this research, would like further information or would like to take part, feel free to contact me at caitriona.obrien@education.ox.ac.uk or at 087 772 8039.
