ISL ACT 2017 TRAINING PROVIDED TO KERRY CITIZENS INFORMATION CENTRES.

Our Manager, Willie White recently provided training on the new Irish Sign Language Act 2017 to staff and volunteers from the Citizens Information Centres across Co. Kerry.

Willie also provided information on a number of sign language interpreting access policies including the Citizens Information Board (CIB), The Dept. of Social Protection (DSP) and the HSE GP Access policies.

Our sincere thanks to the CIC's for providing this training and we hope the information and policies will be of benefit to them when working with ISL users.
