E-INFO NEWSLETTER- UPDATING MAILING LISTS.

As many of you will know, a new Data Protection policy came into effect on the 25th of May. The Irish Deaf Society (IDS) is now updating their mailing lists including their E-Info newsletter.

Due to the new updated Data Protection Law called 'General Data Protection Regulation (GDPR)', which will come into force on the 25th May 2018, we are updating our mailing list for E-Info Weekly emails.

This newsletter is a great way to know what is going on in the Deaf community across Ireland. Our newsletter is usually posted in E-info also. If you would like to receive their newsletter, send an email to e-info@irishdeafociety.ie with the word **'subscribe to e-info'**.

However, if you no longer want to receive their newsletter, you can send an email to the same address and say **'unsubscribe to e-info'**.

SAVE THE DATE- IDS SUMMERFEST.

The IDS are in the middle of organising their annual **Summerfest** and have asked everyone to **'save the date'** for the **1st of July, 2018**.

This event takes place every year and as always is a day full of fun and activities. As more details are available, we will share them in one of our future newsletters. You can also check out the IDS's Facebook page for more info at:
