DOCUMENTARY ON CODAs (CHILDREN OF DEAF ADULTS).

Mind the Gap Films – producers of **Hands On** and **Deafening** are making a new documentary about hearing children and adults who grew up in Deaf families that

will be shown on RTÉ 1. The producers are hoping to chat with lots of CODAs (Children Of Deaf Adults) living all over Ireland so that they have a wide variety of experiences in mind when they put together the documentary. They hope that some of the people they talk to will appear in the documentary.

The producers would like to talk to adult CODAs and families with CODAs aged 12 and older. If you'd like to find out more or share your experience, please get in touch! Email Anne at hello@mindthegapfilms.com or text/WhatsApp/Facetime **086 173 6131** before Monday 23rd July 2018.
