OFFICIAL OPENING OF NEW KERRY SPORTS ACADEMY.

We would like to extend our best wishes to the new **Kerry Sports Academy** which formally opens in Tralee on the **15th of May at 1pm**. The new academy will be based in the north campus of the Tralee Institute of Technology (ITT).

In the initial design stage a few years ago, a number of deaf & hard of hearing service users along with other disability representatives were asked to give their input into the design of the academy. This feedback was taken to ensure the access

needs of a wide range of service users would be included in the new academy. It will be great to see when the new facility opens up, how many of the recommendations were adapted & included in the final build. If any deaf & hard of hearing service users are attending the opening or avail of the academy facilities and have any feedback, please let us know and we would be happy to pass your feedback onto the team there.

We look forward to seeing the new academy opening up & wish the ITT all the best with this new sporting development. We would also like to thank them sincerely for considering the access needs of deaf & hard of hearing service users in the initial design phase.

SAILING OPPORTUNITY FOR YOUNG DEAF & HARD OF HEARING.

While we are on the topic of sporting opportunities, **Sail Training Ireland** will be hosting a deaf & hard of hearing student voyage from the **7th-13th of August**.

This **'Tall Ship Adventure of a Lifetime'** which encourages participants to **Sail, Train, Learn, Live** is open to young people from the age of 15-18 years of age.

If you are interested in experiencing a fun challenge and

the adventure of sailing a tall ship, Sail Training Ireland would love to hear from you.
