## UPDATE ON NEW NAME & NEW LOGO.

It's been a busy few months for us looking into developing a **new name & logo** for our service to mark our 20 years in service. We were delighted with the response and suggestions we got from Board, staff, customers & supporters. We then began the process of looking at the proposed names & sample logos to see if any were already registered by other companies and sadly many of them were already taken up. We are now close to the

final selection and we are doing our last piece of research to see if we can register one as our new name & logo.

If all goes well, we hope to announce the new name and logo after we return from annual leave, sometime in September onwards. Our sincere thanks to everyone for your thoughts & suggestions, we really enjoyed hearing your thoughts on everything. Fingers crossed it won't be too much longer before we have a new name, logo & identity to represent who we are in 2019 as opposed to who we were when we initially opened up back in 1999.
