On Saturday evening, the **12<sup>th</sup> of October**, volunteers are required for a collection in Castleisland.

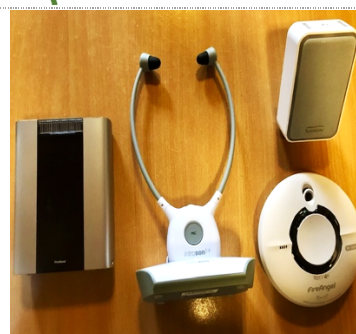

On Sunday morning, the **13<sup>th</sup> of October**, we would appreciate your support for collections in Castleisland, Cordal & Scartaglen.

If you can spare an hour or two, please contact Noreen in our office.

As always, any money raised in a particular area helps us to provide services to customers living in those areas. Therefore, we are always deeply appreciative of local supporters.

## EQUIPMENT FOR DEAF & HARD OF HEARING- AVAILABLE FOR COLLECTION.

If you submitted an application to us over the past few months for equipment under our **RAGS Scheme**, equipment is now available for collection. Please contact our office & let them know what devices you are waiting on and we will make sure to have it ready when you call.

For any customer that requires support with installation (for example TV listening devices etc), we can arrange a call-out with one of our staff members. Funding is limited with this scheme. However, if you have any queries on equipment for deaf or hard of hearing, please contact us.
