THINKING OF DONATING FOR CHRISTMAS? THINK OF THE ETHIOPIA DEAF PROJECT?

As we are approaching the festive season and the time for giving & receiving gifts, many people think about making donations to charities at home and abroad.

If you are looking for a unique project to donate to, why not consider the **Ethiopia Deaf Project**. This is an Irish registered

charity that helped build & funds the **Ambo Lazarist Deaf School (ALDS)** in Ambo, Ethiopia.

The school is continuing to grow and is seeing an increase in deaf students coming in year after year. This is fantastic news for everyone involved but as you can imagine, more students equals most costs. If you would like to support the school in any way, have a look at their donation page at <https://www.edp-ambo.com/donate/>

If you would like to learn more about the project and the events they organise, take a look at their Facebook page. They have a number of events coming up in the New Year including a night of dancing with Ronan Collins and the ever popular Ambo Ramble Charity Cycle.

For more information on the Ethiopia Deaf Project, make sure to check out their page at: <https://www.facebook.com/ethiopiadeafprojectambo/>
